73rd AGM and Conference

Nanaimo, BC | June 3-5, 2025

ABOUT THE EVENT

AGM AND CONFERENCE

Looking to expand your reach and showcase your organization to B.C.'s business leaders?

Every year, the BC Chamber of Commerce AGM and Conference draws business leaders from every corner of the province to identify and address the issues that matter most to business – and to the public. This annual event includes three days of speakers, presentations, panel discussions, and networking opportunities.

Connect with Chamber of Commerce and Board of Trade executives, business leaders and association stakeholders from across the province who play a key role in shaping policy, fostering networking opportunities and driving economic growth throughout British Columbia.

Join us in Nanaimo, June 3 - 5, 2025, to explore this vibrant urban centre found on the east side of beautiful Vancouver Island, located on the traditional territories of the Coast Salish Peoples – Snuneymuxw, Snaw-naw-as, and Stz'uminus.

The BC Chamber of Commerce is the largest and most broadly-based business association in British Columbia, representing 100 chambers of commerce and boards of trade, and 36,000 SMEs from every sector and region of the province!
